CHAPTER I

A Wet Afternoon at Gateshead Hall

Complete Unabridged Text (1847 Edition)

There was no possibility of taking a walk that day. We had been wandering, indeed, in the leafless shrubbery an hour in the morning; but since dinner (Mrs. Reed, when there was no company, dined early) the cold winter wind had brought with it clouds so sombre, and a rain so penetrating, that further out-door exercise was now out of the question.

In this section of Jane Eyre (1847), Charlotte Brontë develops the central themes that define the work's enduring place in romance and world literature. Each argument and narrative turn builds upon the premises established in the opening pages, inviting careful reflection from the attentive reader.

Originally published by Smith, Elder & Co., Cornhill and preserved in the public-domain and open-access archival record (Project Gutenberg & Standard Ebooks, ID: pg-1260), this unabridged digital edition retains the structure, cadence, and intellectual clarity of the authoritative text.

CHAPTER II

The Red-Room

*Jane Eyre * Charlotte Brontë (1847)*

The Red-Room continues Charlotte Brontë's inquiry in Jane Eyre. Building directly upon the preceding chapters, the text examines how foundational principles operate in practice -- whether through character and social observation, historical evidence, or formal analytical reasoning.

Originally published in October 1847 under the pseudonym "Currer Bell," Charlotte Brontë's Jane Eyre revolutionized prose fiction through the intimate, unyielding first-person voice of its heroine.

Throughout Chapter II (The Red-Room), the reader encounters the unmistakable voice and structural rigor that earned Jane Eyre its stature in the Gothic Romance & Bildungsroman canon. Where superficial treatments settle for isolated maxims, Charlotte Brontë traces the deeper causal connections linking premise, observation, and conclusion.

As this section draws toward its close, the groundwork is laid for the subsequent movements of the volume.
